The insurance required herein does not relieve the Customer of its responsibilities, indemnification, or other obligations provided herein, or for which Customer may be liable by law or otherwise.

17. RETURN OF EQUIPMENT. Corrigan may terminate this Contract at any time, for any reason. At the end of the Rental Period, the Equipment shall be returned to Corrigan in the same condition it was received, less Ordinary Wear and Tear and free of hazardous materials and contaminants. If Customer picked up Equipment, Customer shall return Equipment to the same Store during that Store's normal business hours. If the Equipment is not returned by the estimated end of the Rental Period specified on the front side hereof; Customer agrees to pay the applicable rental rate for the Equipment until the end of the Rental Period.

It is expressly contemplated

by the parties that Customer may request additional equipment and services during the term of this Contract. The rates and Rental Period for such additional equipment and services will be provided by Corrigan in a supplementary quotation ("Quote"). The Quote, upon signature by both parties, will become an amendment to this Contract, and be governed by all terms and conditions of this Contract, and appended to the existing Exhibit A.
